**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was a very frustrated AT&T customer (at both my business and my home) for years before discovering an alternative in Sonic.net. My internet service has improved since I made the switch. And now that Sonic is installing fiber in my community, it will get even better.

This is a clear case where competition leads to higher quality services and happier customers. Please continue to support policies that will increase competition, reduce prices and benefit customers.
